Shaping the Future.

At Monarch Solicitors, we're not passive observers; we're actively shaping the future.

With our expertise in digital business and fintech laws, we're driving the growth of innovation every step of the way.

DIFC Courts.

Monarch Solicitors are a UK based law firm and accredited as Part 1 and Part 2 registered practitioners of the prestigious DIFC Courts in Dubai (UAE). If you are looking for a premier independent and professional law firm to represent your interest before the DIFC Courts then contact us today.

Our legal attorneys are all educated in the UK and meet the highest international and professional standards. We bring our vast experience of UK based litigation to provide the best quality legal counsel and representation.

We are well-versed in DIFC Court litigation processes and procedures and have extensive expertise in operating in the English common law jurisdiction and global best practice.

The DIFC Courts can hear any claim under the English legal jurisdiction, making the Court an appealing venue for individuals and businesses (whether regional, local or worldwide) to settle disputes in Dubai and the Middle East.

The court can hear any civil or commercial cases in which the two parties select DIFC Court's jurisdiction either in the initial agreement or post dispute.

The DIFC Courts follow the English common law system to deliver swift and independent justice for settling local and international civil and commercial disputes in Dubai.
